

MUSICAL THEATRE

My dream career

WHAT IS THIS JOB?

- Musical theatre is a combination of singing, dancing and drama which is commonly known as triple threat. It includes auditions, lots of rehearsals, memorising and performing.

WHAT QUALIFICATIONS ARE NEEDED FOR THIS JOB?

- No qualifications are needed for this job, but you need to be very good at dance, drama and singing
- A good thing to have is a Bachelor of arts, which is studying at uni for 3 years.

WHY WOULD THIS CAREER BE GOOD FOR YOU?

- This career would be good for me because I am co-operative and punctual, and will be able to cope with rehearsals. I like performing and would be able to memorise the words.

We are all acting
on stage and the
world is our
audience.

WHAT SKILLS/ STRENGTHS WOULD BE UTILISED IN THIS CAREER ?

a strength of mine that would be utilised
in this career is my natural talent for
music and singing. I also don't get stage
fright which could be utilised in musical
theatre.

HOW CAN YOU TELL IF
THIS CAREER IS ONE
THAT GOD WOULD
WANT YOU TO PURSUE?

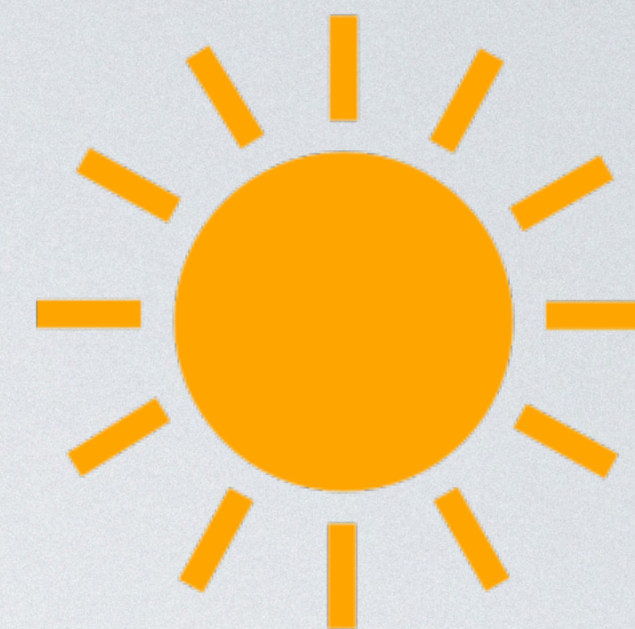

I would pray, audition for a musical and
see while in the process if this is a career
that God wants me to pursue, and read
the bible.

WHAT NEW UNDERSTANDING DO YOU HAVE ABOUT CAREERS/ LIFE?

- *in life, everything costs money.
- *You have to compromise and be flexible.
- *You need to be wise when spending money, think do I need this?
- *God has a plan and a purpose for my life.
